Long Island MacArthur Airport Resident Parking Program Parking Permit Instructions

Enclosed is your parking permit for use at Long Island MacArthur Airport. If it is properly displayed, it authorizes you to park at the Airport in **Lot 6, 6A or 6B provided that space is available**. The permit is not valid for any other Town facility. Please see the enclosed map for Resident Parking Lot locations. Travelers with a Resident Parking sticker that park in any lot other than the identified Resident Parking Lots will be responsible for the daily costs associated with those lots and will not be issued a refund.

The permit is valid only when it is permanently affixed to the inside lower left corner of the rear window of the car you listed in your application. A sticker will not be valid for an RV or a Tractor Trailer.

Correct Location For Permit

If the vehicle has a rear defroster, the resident sticker should be placed on the driver's side rear passenger window.

To obtain a Replacement Sticker

If you sell or transfer your vehicle, scrape off the sticker and return it to the Resident Parking Bureau (it does not matter if it is damaged) for a new sticker. Include a copy of the registration and description of your replacement car. *Without the original sticker, a replacement sticker will not be issued.*

If your car is stolen or destroyed, file a copy of the police and insurance report pertaining to the loss, together with the registration and description of the replacement car. There is no fee for a replacement card. The expiration date will be the same as it was for the original sticker.

Location Subject to Space available

The Resident Parking sticker does not guarantee that a parking space will be available in Lots 6, 6A or 6B. However if Resident Lots 6, 6A or 6B are filled to capacity, you may be directed to the Long Term parking lot or another site.

Parking Regulations Apply

If the sticker is not correctly displayed, a ticket can be issued for unauthorized parking. All of the parking regulations apply without regard to whether a Resident sticker is displayed.
